NOBEL & HUG
ATTORNEYS AT LAW

A Proposal for an Amicable Settlement for the Case of the Parthenon Marbles

Dr Florian Schmidt-Gabain

Nobel & Hug Attorneys, Zurich

City, University of London, 9th October 2019

Pag. 41.

THEMIS

Let not the thirsting dust soak up
the purple blood of citizens, nor let
men in passion for vengeance wreak
vendetta and feud in the state, but
men of like mind let them share
with one will both their joys and
their objects of hate.
For this is the source of much health
among men.

(From The Oresteia of Aeschylus, The Eumenides, translated by Robin Bond)
